

# Logging into Doodle at home

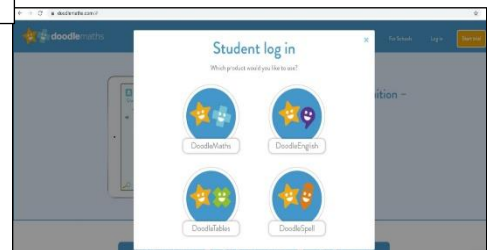

Start by visiting [doodlemaths.com](https://doodlemaths.com) on your browser. Click **log in**.  
Select "I am a **parent**" or "I am a **student**".

View the parent dashboard.

Choose which **Doodle** app you will visit. 20 minutes a day is plenty.

**Log in** with your **username** and **password** from your teacher.

View the parent dashboard. Click on **FIND OUT MORE** to see a free parent video.

Complete your **daily activities**. Stay in the **green zone**. Unlock **extra challenges**.

View the parent dashboard. Click **Help Centre**.

Visit **my pages** when you unlock it. Build your **character**. Track your **progress**.
